

*Systematic deforestation, land eviction, sacking of local people's resources and the poverty in Cambodia, a merciless worldwide organized crime.*

*Private people from their resources is a crime against humanity.*

*Manmade poverty is an ignoble crime, a crime against humanity. It has no regard to those who are victims of it, less their dignity. Should the victims be ashamed or rather those persecutors of crime who stolen their resources and condemned them to live in such conditions, victims of such a system?*
